Dear Mr. Riesz, Dear Katalin,

Mr. Ghisa and his colleagues enjoyed a lot their stay in Budapest and they learned many new and very interesting things at the "Ayurveda" conference. It was also a pleasure to meet you again and they thank you for having offered them the chance of taking part at this special event and for all your help and support.

We are looking forward to hearing from you soon. Best regards,

Anna Lucaci,  
on behalf of dr. Aurelian Ghisa
